

Attorney Docket No.: UMD-1.0-042 (UMD-0048)  
Inventors: Kiron M. Das  
Serial No.: 09/512,515  
Filing Date: February 24, 2000  
Page 9

REMARKS

Claims 31-49 have been allowed. Claim 45 is being amended to reflect that staining and examining should have been identified as separate steps. This was an inadvertent oversight and it is clear that this was the intention because "; and" separated the steps of staining and examining in the allowed claim. No new matter has been added by this amendment.

Respectfully submitted,

Jane Massey Licata  
Registration No. 32,257

Date: June 21, 2004
